FRENCH FOREIGN LANGUAGE COURSE

We offer all students enrolled in an English-taught programme the opportunity to take French language classes (not available on our international campuses).

Students must include this course in their Learning Agreement.

COURSE VALIDATION REQUIREMENTS

1. EM Normandie requires students to complete a minimum of 15 ECTS credits per semester in **business courses only**. Language courses are **not included** in this requirement (English and FLE indicated in **blue** on each page). However, EM Normandie recommends that students take the full course load offered in their selected semester programme for the best student experience.
2. Students **cannot mix courses** from different semesters, different specialisations, different campuses and/or different levels of study. All courses must be chosen within the same programme.
3. A two-week **add/drop period** will be available starting from the first day of classes.
4. Please note that all courses listed in a student's Learning Agreement will appear on the transcript **with both a grade and the corresponding ECTS credits**.

COURSES & EXAMS AT EM NORMANDIE

1. Each course is validated by obtaining **ECTS credits** (European Credit Transfer System). For details on the grading system, please refer to the Welcome Guide.
2. Courses may be scheduled in intensive blocks (for example, a course delivered over a single week). **All business courses are taught in person**; language courses may occasionally be delivered online.
3. All examinations (continuous assessment or final exams) and resits take place **in person on campus**. EM Normandie does not organise any resits online. Resit dates will be communicated to students at the beginning of each semester by their Academic Director.
4. Students requiring **specific accommodations** for their courses must speak with their EM Normandie coordinator and the Wellness Department during the application process.

Important information to keep in mind when choosing a **campus**

VISAS & IMMIGRATION

Dear students! As much as we want to welcome you on all of our campuses unfortunately there are immigration restrictions depending on your nationality and the country of the EM Normandy campus over which we have no control. Please check carefully before you choose your campus.

French campuses (Paris, Caen, Le Havre) :

- European students: no visa required.
- Non-European students: visa required (short or long term)

Our government has a [unique website](#) for all visa requests.

Please note that some programmes in France extend for less than 90 days which means students will have a short-term visa with stricter conditions. The length of programmes is indicated on each page of this document with a specific logo.

Oxford campus:

Since the Brexit, the UK government has decided to divide citizens in two lists:

Non-visa nationals: EU, EEA & Swiss citizens can study in the UK for a short period (less than 6 months) without a visa.

Visa nationals: students from countries on [this list](#) will have to obtain a « Standard Visitor Visa » (cost of 120£)

Please check you students' eligibility on [the government website](#) and let us know if you have any questions/doubts.

Dublin campus:

- European students: no visa required, students can come for a semester or a full year.
- Non-European students: visa required, students can only come for the spring semester.
 - Exempted nationalities: students can be exempt from a visa if their country appears on [this list](#).
 - Remaining nationalities: students will need to apply for [a visa short-term C](#) only for the dates they are physically in Ireland (the beginning of the semester will be online as the duration of courses is more than 90 days)

Dubai campus:

Once accepted, students will be contacted by our Dubai staff to start the visa process. The visa cost is 7500 AED + 5% VAT for a 1 year visa and 6000 AED + 5% VAT for a semester. It includes health insurance and the residence permit. A medical test will be done upon arrival by the authorities (blood test and x ray). If the student does not pass the test, their visa will be revoked.
